

condition 1[®]

condition **1**

Designed and manufactured in Texas, Condition 1 cases are built to protect your electronics, camera equipment, video equipment, rifles, pistols, collectibles and anything else that needs a second skin.

At Condition 1, we strive to provide you with the highest quality products at an affordable price. Our waterproof, dustproof, and shockproof cases meet or exceed industry standards, adhere to all airline regulations, and provide exceptional protection while our low overhead allows us to pass real savings on to you.

1: PATENTED LATCHES

Patent #8,994,476

2: RUBBERIZED HANDLES

Softer grip for added comfort.

3: AUTOMATIC AIR VALVE

The automatic air pressure release valve makes this case **airline friendly**.

4: IP67 WATER & DUST PROOF

A rubber gasket provides an air tight seal.

5: LOCKABLE

Add your own locks for security.

6: STEEL PIN HINGE

Steel adds strength and longevity to our hinges.

7: STACKABLE

Exterior grooves help additional cases snap into place.

8: CUSTOMIZABLE FOAM

Thick pluckable cubed foam that allows you to customize the fit to your items.

9: OFF-ROAD WHEELS

Unique wheels offer stability and reduce vibration. a perfect fit.

WARNING: SUFFOCATION RISK.

Condition 1 cases are designed and built to be air and water tight.

DO NOT ALLOW CHILDREN TO PLAY IN OR AROUND THESE CASES WITHOUT ADULT SUPERVISION OR SERIOUS INJURY OR DEATH MAY OCCUR.

Warranty

At Condition 1, we've done our best to create products that exceed our customer's expectations and we stand behind our products with excellent warranties. Our warranties are broken into two sections. One warranty is for our watertight cases. You can recognize our watertight case because it has a valve. The other warranty is for our non-watertight cases.

Watertight Case

Warranty Manufacturer fully warrants against defects in material and workmanship for the life of the case by the original owner. The case is guaranteed to be water resistant to 3 feet under water for 30 minutes. The warranty does not cover the foam or any contents of the case. Liability to manufacturer is limited only to the case and no contents. Case must be properly closed with no defects or damage to the O-ring gasket or valve to fully cover warranty. If the case breaks manufacturer will replace at no cost to you as long as you are the original owner of the case. Damaged handles, latches, valves, and gaskets can all be replaced in the field and will be supplied at no charge in the case of any defect. To request parts you must have original receipt or purchase agreement and must have return authorization number from the manufacturer or place of purchase. All warranty claims of any nature are barred if the carrying case has been altered or changed in any way.

This product can expose you to chemicals including arsenic, which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.

WANT A CHANCE TO WIN FREE GEAR?
